

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 18
6th March 2020

Continuing the Learning Journey!!

Our new topic 'life cycles and growing' is taking shape. Mrs Mount has created a 'Jack and the Beanstalk' role play area and it looks fantastic!

Don't forget parent evening has been rescheduled for Tuesday 10th March with the same time slots you chose last time. Mrs Reardon will confirm your times if needed.

This week's learning focus:

- The children have listened to different variants of the 'Jack and the Beanstalk' story. They are enjoying acting out their favourite scenes in the role play area.

- In maths the children were ordering numbered magic beans, recognising 2D shapes in a castle picture and have been subtracting magic beans too!
- We have lots planned for world book day (photos next week). We shall be designing giants and deciding what a good name for a giant would be, sharing our favourite stories and listening to teachers read their favourite books.

Focus on Learning

The children absolutely love show and tell. It builds their confidence and helps to develop speaking and listening skills. Please remember no toys are allowed unless I specifically say, try to link items to our learning themes if possible.

Class Star Learner

Oscar -
for sharing ideas and always being an enthusiastic learner!

Information for Families

The PTFA quiz night was a great success! Thank you to those who attended. If any parent wants to become a more active member of the PTFA please let the office know. We really need as much help as possible and we have great fun whilst raising money for our school.

Many thanks,
The Chestnut Team
