

Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

10th October 2025

Learning Journey

In Maths, the children have been learning to compare numbers and groups of objects. They are using the vocab 'fewer', 'more', or 'the same', and also learning to use the symbols $<$, $>$, and $=$ to show 'less than', 'greater than', or 'equal to'.

In PSHE, we have been learning about positive friendships and what it means to be a good friend. We discussed the different qualities that make someone a good friend. Then, working in pairs, the children sorted these qualities in order of importance, from the most important to the least important.

Star Learner

A huge well done to **Belle** for her fantastic participation in our Little Wandle phonic sessions!

Please encourage your child to practice writing their name at home using the correct letter formation. We are noticing a lot of children are reversing their letters in their name or spelling it backwards.

Thank you 😊

Information for Parents

Wednesday 22nd October- **Christmas card orders will be collected today**

Tuesday 21st October and Thursday 23rd October- **Parents evenings**

Monday 27th - Friday 31st October- **Half term**

Monday 3rd November- **INSET day**

Wednesday 5th November- **Individual photographs**

Show and Tell for next Friday is **Yellow group (Blake, Connor H, Harrison, Luke, Maisie & Ruby)**

Please encourage your child to bring in something special to them or something they've created and would like to talk about. Children don't have to take part if they don't want to.
