10th October 2025

Nursery Activities and Play

In the book 'Amazing' the children have a birthday party. The children really enjoyed taking part in our own birthday themed activities to 'celebrate' Mr Sparkle's birthday.

We have been exploring repeats this week as part of our maths learning. We have practised joining in with repeats in rhymes and stories as well as using repeats when building and creating.

Next Week

Next week's rhyme focus is One, Two, Buckle my Shoe.

Information for Families

Forest Area

This area is used as a teaching space during the school day and as the Nursery session ends earlier than the main school session, there may sometimes still be sharp tools or a fire burning in this area at the end of the Nursery day. Please supervise your children closely once they have been collected to avoid any accidents.

Thank you.

Key adults

Each child in Willow class has a key person. The key person is responsible for a small group of children and helps these children feel safe and cared for. They will record children's progress and development and be a point of contact for parents. Attached is a list of the key groups so that you can see who your child's key person is.
