

Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

17th October 2025

Learning Journey

In computing this term, we have been working on the school laptops, using our trackpad and typing skills. We have explored the Paint program, using the keyboard to type our own name by creating a text box, and experimenting with different brushes, colours, and thickness of lines. We continued developing our trackpad skills by drawing our very own self portrait.

This week in Art, we learnt how basic shapes are used to create drawings. The children looked at pictures of faces and thought about which shapes best matched each facial feature. They then carefully drew these shapes on top of the photos. They did a great job spotting circles, triangles, rectangles, and even some irregular organic shapes!

Star Learner

A huge well done to **Ruby Potter** for her fantastic work in maths on part-whole models!

Next week we will be going on an Autumn walk around the school grounds looking for signs of Autumn. If you have any spare egg boxes lying around at home could you please bring them in by next Wednesday? We would like the children to collect items they find.

Information for Parents

Wednesday 22nd October- **Christmas card orders will be collected today**

Tuesday 21st October and Thursday 23rd October- **Parents evenings**

Wednesday 22nd October- Last swimming lesson
