

## Highlights of the Week

This week in Geography, the children learnt all about mountains in the UK - discovering where they are found and what makes each one unique. To bring their learning to life, the children worked in teams to create their own model mountains, showing fantastic teamwork and enthusiasm!

Week 10 Autumn Term  
14<sup>th</sup> November 2025

This week in DT, the children got busy making the frames for their wheeled vehicles. They measured, cut and joined materials carefully to create strong and stable structures, ready for adding axles and wheels next week.

Unfortunately, this week we have had to talk to all the children in year 5 and 6 about personal hygiene and the importance of keeping the bathrooms clean and washing their hands thoroughly. We would greatly appreciate you reinforcing this with them at home and encourage them to tell us if they find the bathrooms in an unacceptable condition.
