## Nursery Activities and Play

It has been a busy week this week in Nursery as the children have been learning all about 'People who Help Us', and exploring a variety of occupations through our story 'All through the Night' the children have really enjoyed participating in many activities.

The children have become Police Officers, Doctors & Construction Workers this week. They have particularly enjoyed dressing up and getting into character as they explored these occupations.

This week the children also learnt about Remembrance Day, where they created their own Poppy Paintings and we shared the lovely story 'Ava's Poppy' together.

## Next Week

Next week our rhyme time focus is 'Miss Polly had a dolly'. We will be looking at how doctors and nurses help us as well as looking at rhyming words and patterns in the rhyme.

## Top Tip

*Talk to your child about your job and what other family members or friends do. Talk about why different jobs are important and what they might like to do when they grow up.*

## Information for Families

This week we have been focussing a lot on independence with the children. With the weather changing which may mean more items of clothing, we are trying hard to support the children to be more independent with putting own coats, hats and scarfs on.

We would appreciate if you could also support this at home.

Could we also request that children are not running up and down the grassy hill or on other muddy areas before coming into nursery, for their own safety and also because we are getting a lot of mud tracked into the classroom and on carpets where we sit to play and learn together.
