Dear Parents

Oh my goodness it is freezing! It hasn't stopped us going out for Forest school and breaks and lunch. Please can you make sure that children come in appropriately dressed with cardigans, jumpers, coats, hats and gloves if needed. If you need some support with this speak to Mrs Hall in the office. Have a good weekend, Mrs T L Good

Gardening Club

One of our teacher run clubs is Gardening Club organised by Ms Chaudhry and Miss Watts. This week I received a note on my desk from two of its members:

In Gardening club our goal is to take care of and tidy the school grounds.

If you have any gardening equipment that you don't use (small forks, trowels, soil, rakes, secateurs etc) we would really appreciate it if you donated them.

We are trying to be as eco friendly as possible and make the school look good. Thank you Sienna and Daisy (Gardening Club)

Donations will be gratefully received at the office

PTFA

Thank you to the PTFA for organising the Bag2School Collection. Hopefully we have raised some money for the school and you have some nice clear cupboards for all the Christmas stuff! Wreath Making is taking place for adults next week on Friday 27th. I can't go this year but really enjoyed myself last year and my wreath got lots of admiring comments! I look forward to seeing the pictures.

Parent Workshop

We are very excited to be holding a MHST workshop at Ongar for our parents. Please see the details below and on the attachment. There will be time at the end of the workshop to ask questions:

Runnymede Mental Health Support Team (MHSTs) will be coming to Ongar Place to explore how we can help you support your child's mental health.
