Nursery Activities and Play

This week we have been learning the nursery rhyme 'Miss Molly had a Dolly'. The children have been learning all about how doctors and nurses help us feel better and the equipment they might need. We've had lots of fun role playing and participating in activities that support taking care of each other; from bandaging dinosaurs poorly limbs, to even being the patient themselves.

Welcome back!

We're very happy to welcome back Hope, as she continues her studies in childcare. The staff and children are very excited to have her with us, we know she will be a wonderful addition to the team.
