Continuing the Learning Journey!

In Chestnut Class, the Christmas music is playing, children are role-playing being Santa, we are reading Christmas stories and singing familiar Christmas songs, it's the most wonderful time of the year!

This week's learning:

- In maths the children have been subitising to 5.
- In Little Wandle I have started to assess the children's reading ability again, I am really pleased with their progress. If your child remains on wordless books it means they are not securely blending words (sounding out letters really fast) to read.
- We have set up an estimation station, the children have to (realistically) guess how many items are in a jar.

Next Week...

We have two nativity performances next week and a dress rehearsal!
