

Year 2 Learning Letter

Ongar Place School, Addlestone, Surrey O1932 842785

Friday 12th December 2025

As we have now finished the penultimate week and have had the nativity, I am feeling rather festive. This week, we have wrapped up and finished many of our topics and have made some lovely Christmas decorations to make the classroom look even more festive. This is my last newsletter of 2025 so I would like to take the opportunity to wish you all a merry Christmas and a wonderful new year.

Next week

Next week is a very busy week.

Wednesday- PANTO day- Please make sure children are in school promptly.

Thursday- Christmas dinner and jumper day!

Friday- the children are welcome to bring in a toy or game to play with their friends. Please do not send in any items that are very precious.

Forest school next term

After Christmas, Year 2 will be starting forest school. I wanted to ensure that you all had enough notice and that letters were not missed. Forest school will be starting on Wednesday 7th January. I will send out an official letter next week.

Science

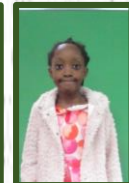

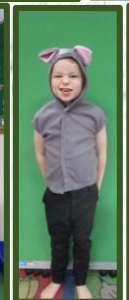

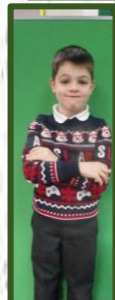

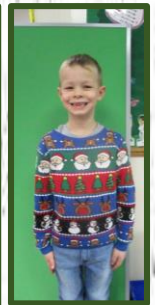

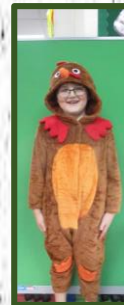

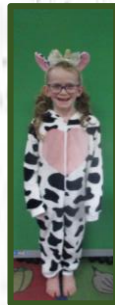

This week we have looked at what happens to our heart rate as we exercise!

Nativity

Yesterday, we did our first nativity performance. It was such a good show, the children spoke clearly and confidently. Hopefully, the show this afternoon will be just as successful!

Dates for your diary
