

# Ongar Place Nursery News

Ongar Place Primary School, Addlestone, Surrey, 01932 842785

9<sup>th</sup> January 2026

## Nursery Activities and Play

Happy New Year and welcome to our new families this term. The children have all settled back into Nursery so well and it is as if our new starters have always been here!

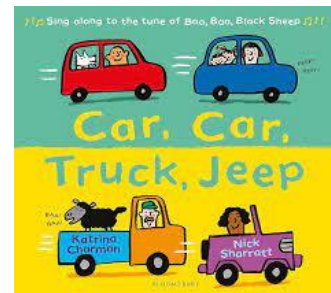

This half term our topic is 'Transport' and we have been talking about and exploring different types of transport.

## Book Focus

In Willow Class, we have been reading the book 'Car, Car, Truck, Jeep'. It is all about different types of transport.

## Top Tip

Talk with your child and discuss their favourite modes of transport. How many different types can you spot on the way to school?

## Information for Families

### Reminders

- Please make sure anything your child brings to Nursery is clearly labelled with their name.
- Ensure your child brings a bottle to school each day with water.
- We are a nut-free school. Please do not include products containing nuts in your child's lunch box.

If your child is due to start in Reception in September, you must ensure you have applied for a school place online by Thursday 15<sup>th</sup> January.
