Ongar Place Primary School,
Addlestone, Surrey O1932 842785
16.01.26

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

It's been another busy week here in Year 4. PE continues to be a highlight of the week as the children learn key dodgeball skills and put them into practice with some short games.

In English, we have started to read and explore our core text FaRther. This week, we focused on writing noun phrases using abstract nouns and including these in a diary entry written in present perfect tense.

In maths, we have spent time practising the formal written method of multiplication. Children have been using place value counters to help support them with this. We have started by multiplying a two-digit number by a one-digit number.

History has seen us delve back to the 1800's and come to understand how the Ancient Mayan ruins were rediscovered by two explorers in the dense jungles of Central America. Children drew one of the stone relics based on a description written by one of the explorers.

We were mark making during art this week, Children explored how to use cross-hatching and other patterns to create light and dark areas (tone) using a ballpoint pen.

Science is all about electricity this term and this week, we brought out components to create electric circuits and children were able to explore how to make a light-bulb light, a buzzer buzz and a motor spin!

Wishing you all a lovely weekend,

Miss Hale

Important Messages

Homework continues to be 20 minutes of TT Rockstars across the week, alongside spelling homework which is either on SeeSaw or in books, depending on your child's spelling group.
