

Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

23rd January 2026

Learning Journey

In English this week, we have been reading 'The Magic Bed'. The children shared their dreams about places they have visited or imaginary worlds they would love to explore. Using laptops, they then created a digital picture of their imaginary world using the Paint app. What wonderful places they created!

In Art, the children have been learning about primary and secondary colours, experimenting with colour-mixing techniques, and applying these skills in painting and printing. They also recreated Jasper Johns' artwork 'Numbers in Colour'.

This half-term in RE, we have been learning about Judaism and how Jewish families celebrate Shabbat, a special day of rest. The children explored various Jewish artifacts and discussed how they are used during Shabbat.

Star Learner

Well done to **Ayra** for creating a fantastic digital picture of her imaginary world!

Can we please remind you to read with your child 5 times a week? This is part of their homework and there are some children who are not reading at all each week or it is not being recorded in their reading diaries. Reading is such an important part of Year 1 and the children really need to work on their confidence and fluency. Thank you.

Information for Parents

Tuesday 10th and Thursday 12th Feb- Parents evenings.

Monday 16th- 20th February - Half term
