

Year 2

Learning Letter

Ongar Place School, Addlestone, Surrey 01932 842785

Friday 30th January 2026

Ocean Meets Sky

This week we have been on a number of mini adventures that will hopefully inspire us to create some wonderful stories of our own! We have designed new lands, been on adventures through drama and song and are all very excited about becoming authors to tell our own stories.

Money

We have been practising using money. We have turned a small area of the classroom into our class shop. Every day we have been selling the fruit and vegetables for snack - it has been great fun!

RE

This week we had a visit from St Paul's Church. Bernice told us about what Christianity was like for her. We made sheep..

We are learning about money, please explore money at home by counting loose change in purses and money boxes!

Dates for your diary
Wednesday 4th February
 Last forest school session.
Tuesday 10th February &
Thursday 12th February
 Parents evening.
Friday 13th February
 Last day +
 cake sale after school.

Cricket

Despite the weather being a little bit temperamental this week, we managed to get outside for one of our PE sessions.

We practised our bowling and fielding skills. We managed to play some excellent games and encouraged other children in our houses.

Florence

For wonderful learning behaviours inside and outside the classroom.

No homework this week.
 Please make sure you read, use Numbots, TTRS and practise recognising money!
