

Highlights of the Week

In English we have started reading Macbeth. The children are all beginning to familiarise themselves with the themes and characters. They are all very excited about the performance based on this and we will soon start casting them for their roles. We would greatly appreciate you helping them to learn their lines at home.

Homework- Unfortunately there is an increasing number of children who are failing to bring their homework in on time. Homework is set on a Thursday and is due the following Monday. This should be plenty of time to complete it. Could we please ask you to sit with your child to support and help them if necessary. We all want the best outcome for the children and support from home to reinforce learning is needed and greatly appreciated. Thank you.

Information for Parents

In Art we have been looking at how everyday objects can be used to create our own installation art. The children worked together in groups to find and move different objects around, make changes and try new ideas. They were collaborating and problem solving throughout.

Healthy snacks - Can you please ensure your child is only bringing healthy snacks - ideally fresh fruit- to school. Anything from the confectionary/snack aisle at the supermarket should be avoided. The sugar spike it results in has a knock-on effect on their learning which can be detrimental. Thank you for your assistance in this matter.
