

# YEAR 6 LEARNING NEWS

## Highlights of the Week

### English

This week we have started sitting some more practice SATs tests so we started the week with some Grammar revision in preparation for this. Looking through *Wonder*, we then discovered just how many different forms of punctuation we can spot everyday just in the books we are reading.

### Maths

In Maths we continued to work with decimals, practising adding, subtracting and multiplying with them as well as doing a bit of a recap of fractions, ratio, angles and algebra. The pupils have sat 2 Maths Reasoning tests this week and once again I have been really impressed with their positive attitudes and mature behaviour during these. I will discuss their current results and progress with you at Parent's Evening.

### Netball

PE on Friday's this half term is focusing on the skills and tactics involved in the game of Netball. Whilst the throwing and catching is going well, we still need a lot of work on only 'pivoting' with the ball rather than actually walking / running!

Week 4 Spring Term

## THEATRE TRIP 😊

On Friday 13<sup>th</sup> February, Years 5 and 6 will be going to the Rose Theatre in Kingston to watch a performance of *The Boy at the Back of the Class*. This is a wonderful book which the children looked at in Year 4 and which we will be looking at again in coming weeks. I am really hoping that all the pupils can come with us but they can't unless you give permission. Reminder letters were sent home again yesterday for those who we are still hoping will provide permission. This can be done via SCOPAY but if you have problems in accessing SCOPAY, please do e-mail permission in to the school office.

## Information for Parents

### Dates for the diary

10<sup>th</sup> and 12<sup>th</sup> February - Parent's Evenings
