

Highlights of the Week

This week we were fortunate enough to watch the Guildford Shakespeare Company come in and perform Macbeth live! It was a fantastic opportunity for the children to meet the cast, ask them questions and get ideas for our own performance! Some of the Year 5 children were even chosen to take part in the performance, a great chance to practise their lines and experience what it's like on the big stage.

In Science this week we went exploring to try and find living things in the environment. Some of us were more enthusiastic than others to get our hands dirty as we looked for minibeasts to classify. The children drew their findings and later went on to name the species they had found.

Information for Parents

- Homework is set on Thursday and due in the following **Monday**.
- Children should be reading for 30 minutes everyday and practising their times tables.

Key Dates

 13th April - Back to school 8.50am

Week 5 Spring Term
 6th February 2026

Healthy snacks - Can you please ensure your child is only bringing healthy snacks - ideally fresh fruit- to school. Anything from the confectionary/snack aisle at the supermarket should be avoided. The sugar spike it results in has a knock-on effect on their learning which can be detrimental. Thank you for your assistance in this matter.
