Nursery Activities and Play

Another busy week in Willow class with lots of exploring and working with our friends.

Rhyme Focus

We learnt the nursery rhyme 'Row, row, row your boat' this week in Willow Class.

Information for Families

We are looking forward to seeing parents next week during meetings with key adults. There are also upcoming opportunities for parents to visit Willow class on 3rd or 5th March to see some of the things children do in Nursery. Please return the form that children brought home if you would like to attend one of our Family Learning afternoons.

Next Friday will be the last day of this half term. We return to Nursery at 9.00am on Monday 23rd February.
