Dear Parents,

Its been wet and miserable outside for most of this week but there has been lots of fun and success in the school.

Have a great weekend

Sporting News

Last Friday, six children from Y3 and Y4 travelled to Hoe Valley school to take part in the Panathlon. Working as a team, they took part in eight different activities, scoring points towards their overall total. There were nine schools taking part and the children showed great teamwork - supporting each other with big smiles on their faces. Despite some very impressive scores, we finished outside the top three, but it didn't take away from our enjoyment of the morning! Congratulations to Buddy-Ray, Charlie, Brooke, Lily-Marie, Oscar and Rosie H on their well-deserved medals! A big thanks to parents for their help transporting children. Miss Hale

Guildford Shakespeare Company – Macbeth

We are very lucky to have Charity Funding this year from Delight Charity. It is enabling us to provide some of classes with fantastic experiences in drama, art, dance and storytelling. On Monday all of KS2 watched a production of Macbeth. Some of our children got to join in and so did I! Later in the term Y5 will be learning the script and performing their own version. I can't wait!

Reviews:

Today we watched an amazing production of Macbeth performed by the Guildford Shakespeare Company. There were 4 fantastic actors (and some of our classmates also went up to help!) There was also a spectacular technician controlling the lights and the sound. The show was amazing. The actors showed so much teamwork and enthusiasm. The audience also got involved. After the show Year 5 did a workshop. We did a voice warm up and movements and then performed a scene from Macbeth in a group. My group did the witch scene. After the workshop we all asked some questions of the actors. **Evelyn**

Today we saw a performance of Macbeth by William Shakespeare performed by the Guildford Shakespeare Company. I really enjoyed the enthusiasm of the 4 actors and I also enjoyed it when Little Will was on stage because he was really funny. Some of us got to volunteer to play someone; I played a murderer and stole Banquo's horse. I think they played their parts really well. It gave me lots of ideas on how I should talk, what expression to use and how to project my voice. Overall, I absolutely loved it! **Penelope**
