

# Year 2 Learning Letter

Ongar Place School, Addlestone, Surrey O1932 842785

Friday 13<sup>th</sup> February 2026

Just like that we are half way through Year 2! I can not believe how quickly this year is going. We have had a wonderfully busy week.

Thank you to everyone who came to parents evening to celebrate achievements and identify targets and support. As usual, come and see how things are if anything changes!

## Ocean Meets Sky

We have now come to the end of our literacy unit. The children have worked hard to make, plan, write and publish their own books. They look absolutely wonderful! The books are currently on display in the classroom but we will be sending them home next term!

Take a look at some of these amazing book covers.

Next half term we will be completing a sewing project. Children will need to bring in a pillow case or a piece of fabric of similar size! We will be making capes.

**Matilda**

For trying hard to make improvement to her handwriting.

**Brooke**

For writing a story with beautiful handwriting.
