

Year 2 Learning Letter

Ongar Place School, Addlestone, Surrey O1932 842785

Friday 6th March 2026

What a beautiful week. Taking the chance to read for pleasure all around the school, having parent readers in to share some lovely stories, a Zoom call with David O'Connell and having so many parents in to celebrate being part of such a wonderful community. I think this week I will fill the newsletter with pictures rather than words.

Harry

For excellent enthusiasm for reading at home and at school!

Aleena

For getting lost in a book!
