

Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

13th March 2026

Learning Journey

This week in English, the children have been writing an information text about a pet animal. They wrote descriptive sentences about their animal using noun phrases. They wrote about where their pet animal should sleep and how to entertain them.

In DT, the children have been exploring the running stitch in sewing and have started making their Easter pockets.

In Science, we are exploring how the seasons and weather change. We went on a Spring walk using the iPads to take photos of any signs of Spring we saw. We saw lots of daffodils, daisies, and buds on the trees. We even saw some birds and nests in the trees.

For Music this week, the children had great fun playing the glockenspiels.

Star Learner

Well done to **Blake** for his fantastic work in maths this week!

Thank you to those that visited the book fair last week. It was great to see how busy it was, and the children were very excited to take their new books home.

Forest School - Please make sure that children have waterproof clothing on and still wrap up warm as some have mentioned feeling cold or wet while we have been outside. Some also didn't have a coat for the rest of the day so got cold at lunchtime.

Lastly, we hope you all have a lovely Mother's Day this Sunday.

Information for Parents

Monday 23rd March- School Disco

Friday 27th March- End of term 1.30pm
