

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey 01932 842785
13.03.26

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

It's been another busy week here at Ongar. We were treated with a wonderful performance from the Ongar dance group who performed their show piece to KS2 on Wednesday. Well done to James, Zayd, Brooke and Elise who represented Y4 admirably.

We have been writing a biography for Luca (the old man from the Matchbox Diary) in English this week. Children have been encouraged to use all our learning from across the term in their work.

In maths, we have been learning about mixed number and improper fractions, recognising equivalence and using both shapes and number lines to represent the whole.

In science/DT, children have made switches ready to use in their lamps.

Climate was our focus in geography this week. Children used data represented in a graph to compare the climate of Miami and London. We discussed how countries close to the equator are warmer and why this is.

We learned a new flow in yoga this week - the gratitude flow. As children moved through their flow, they were encouraged to think about someone who they were grateful for and to use this idea when things might feel overwhelming in life.

Wishing you all a lovely weekend,

Miss Hale

Important Messages

Next week, our PSHE lesson will introduce children to puberty. You can find more information about our PSHE curriculum on our website.
