## Nursery Activities and Play

We have continued to think about plants and growing this week and have enjoyed exploring different plants around school. We were so pleased when our cress seeds grew into cress that we can eat.

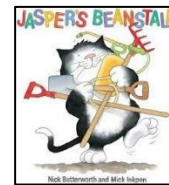

As part of our World Book Day activities, some Year 6 children came to visit us in Willow class and read some of their favourite stories to us.

## Book Focus

Next week our focus book will be 'Jasper's Beanstalk'. We will focus on the different verbs and trying to create actions for them.
