

# Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

20<sup>th</sup> March 2026

## Learning Journey

Another fun, busy week in Cedar class. The children got to toast marshmallows over the fire this week in Forest School which they really enjoyed!

In Maths, we have been learning about place value to 50. The children have been practising how to count objects more easily by grouping them into tens and ones. They have also been learning to describe numbers by saying how many tens and ones they are made of, using base 10.

In PE, the children have been learning how to work as a team. Last week they had to guide their partner who was blindfolded through obstacles and this week they had to work as a team to collect items from around the space

## Star Learner

Well done to **Rosie** for a great painting showing the weather!

## Reminders

### Forest School

It will be the children's last forest school session next week (Wednesday 25<sup>th</sup> March). The children have really enjoyed the sessions and look forward to doing it again in the summer term.

### Swimming

Don't forget swimming will start again after Easter. If there are any parents who would like to help, please let us or the office know. Their swimming lessons will be on a Wednesday morning.

## Information for Parents
