

# Year 2 Learning Letter

Ongar Place School, Addlestone, Surrey O1932 842785

Friday 20th March 2026

## Sewing

This week we have started our sewing projects and are busy turning our pillow cases into super hero capes!

## Cake Sale

Next week, Year 2 and the PTFA will be hosting the cake sale. In previous years, we have asked families to donate cakes for us to sell. This year, we thought it would be a lovely opportunity for the children to bake and decorate their cakes in school instead.

A big thank you to our class parents and the PTFA, who have kindly offered their time to come in and support the children with the baking and decorating.

To help us purchase the ingredients, we would like to kindly ask for a £2 donation per child, rather than cake donations this year. We will be collecting contributions until Tuesday 24th March.

## PSHE - Road Safety

This week in PSHE, we learnt about road safety and how to stay safe on the road. We made posters to show our learning.

## Science - Micro-habitats

We explored micro-habitats in the forest school area. We found all sorts of creepy crawlies and had a wonderful time.

## Homework- History Project

I have set a slightly longer homework this week but as usual will not set homework next week. Take as long as you want for this homework. It is a great opportunity to extend learning outside the classroom. After Easter, I will also carve out time for the children to present their work to the class.
