

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,  
Addlestone, Surrey O1932 842785  
20.03.26

**Our Values:** Teamwork, Self-belief,  
Honesty, Passion, Respect &  
Determination

Happy Friday!

I can't believe we only have one more week until the Easter break. This term has flown so we've been busy squeezing lots of fun learning in! We were also treated to a great concert from our Rock Steady groups - well done to Oliver, Christos, Scarlet, Rosie and Alfie for entertaining us!

The weather was kind to us this week which meant we could get outside for our yoga lesson. This was particularly fitting as we embraced a 'Summer flow' this week.

In PSHE, we discussed what puberty was and reflected on the changes that males and females experience as they change from children into adults.

In maths this week, we have been looking at equivalent fractions on both a number line and using fraction walls.

We started reading our new book *The Tin Forest* this week. Children used conjunctions to link clauses and wrote postcards to the man in the story to cheer him up, using modal verbs.

The conservation of sea turtles was our learning this week, as part of our unit on *The Magic Kingdom*. Children watched videos of sea turtles nesting and their babies being born. They learnt what conservation groups are doing to help these endangered animals. To find out more, visit:-

<https://conserveturtles.org/>

Wishing you all a lovely weekend,

Miss Hale
