Continuing the learning journey...

This week the children learnt about Easter and why Christians celebrate it. They went on to make cards and yummy chocolate nest cakes.

This week's learning...

- In maths the children have been doubling numbers to 10 and matching numerals.
- In Little Wandle the children have been writing simple, dictated sentences.
- On Monday the children watched the Year 5 production of Macbeth. It was fantastic!

Today we said goodbye to our wonderful Chestnut friend Harry who is moving away. We wish him and his family all the best for the future.

Reading at Home

Reading at home helps build fluency and a love of reading. Children bring home a phonics book to practise and a sharing book to enjoy together. Please read with your child daily when possible (minimum three times a week).
