

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey O1932 842785
27.03.26

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday! The Easter holidays are upon us and let's hope Spring brings the sunshine next week!

We finished reading the Tin Forest this week. The children have been writing expanded noun phrases and used these in their setting description of the old man's forest. They also reflected on the themes of the book.

In maths, children consolidated their learning around fractions - converting improper fractions to mixed number before completing their end of unit assessment. After Easter, we will be learning about decimals.

In PSHE this week, we talked about tobacco and the harmful effects of smoking.

Children really enjoyed bringing their light designs to life in DT this week. They used paint or pens to colour their lamps before making a circuit using a switch they made themselves. I was really impressed with their designs - the results were great!

Our computing unit on data logging finished this week, with children using the data loggers to collect data across the school day to help answer a specific question.

It was our last yoga session this week and the children learned two breathing techniques which can help 'let it go'. Both whale and lion breaths can help when feeling overwhelmed but it was 'lion breath' that provided the most entertainment...Ask your child to show you!

I would like to take this opportunity to wish you all a happy and peaceful Easter.

Miss Hale

Important Messages

Swimming begins after the Easter holidays. This will be on Wednesday afternoons, in place of our usual PE slot, therefore children should only wear their PE uniform on Mondays.

Ongar Place runs the School's Mini Marathon! We will be holding a whole school event on April 20th where children will run in their houses to help raise money for Brain Tumour Research. A separate letter has been sent out about this. Please sponsor your child or donate at the link below:
