

27th March 2026

Dear Parents,

So, we come to the end of the spring term. It has been fantastically busy with academic, creative and physical events! Thank you so much for all your support this term. I hope you all have a fantastic Easter break. We look forward to seeing you back on Monday 13th April at 8.50am. Best wishes, Mrs T L Good

Sporting News - Football

Our Year 6 football team played their final game of the season on Tuesday against Thorpe CofE who are the league leaders. It was always going to be a tough game and Thorpe soon revealed why they sit in the top spot. Conditions were windy which hampered the long ball, and despite working hard and scoring twice across the game, it was Thorpe who came out victorious. Well done to Henry, Lennon, Hugo, Louis, Octavia, Frank, Callie and Emmanuel. There have been some very close games this season and we have finished 4th in our league group. Thanks again to parents for helping with transport.

Cross Country

On Saturday, several children represented Ongar at the annual district cross country event, held at Notre Dame school. This is always a very competitive morning, with around 100 children running in each race from schools across Elmbridge and Runnymede. There were some great individual performances across the years. Congratulations to all our runners - Hugo, Mina, Maisie, Octavia, Eloise, Callie, Tanvi, Elise, James, Elliott, Arthur, Barney, Zayd and Karo. Many thanks to parents for your support on the day.

PTFA

Thank you to the PTFA for running a fantastic Disco on Monday. It was lovely to see the children enjoying themselves together. We raised over £400!

I have been talking to Mr Fenton this week and we are hoping to replace our ailing cookers in the children's kitchen so we can continue to make

Macbeth

On Tuesday, Year 5 performed Macbeth to their parents and some special guests including the CEO of Delight Charity who part funded the experience for the children, and the professional actor who played Macbeth in the production that visited our school. Everyone was very impressed with the production – the children were amazing, the singing was fantastic, the props looked great and all of the class felt a real sense of satisfaction in having managed such a great performance. Thank you to everyone involved and particularly the Delight Charity and funders for their support.

Ongar Mini Marathon

Please see the letter sent home today about raising money for Brain Tumour Research – Miss Hale is running the London marathon and we will be running our own mini marathon! We hope to raise lots of money for this very worthy cause which is close to our hearts.

Dance

Another great event this week was the Year 3 performance, to their parents, of the dance spectacular - Heroes and Villains.

The children have been working on the dance for past few weeks with professional dancer Tilly and Mrs Lanecka. It was a fantastic show casing and has supported the children in developing performance, dance, storytelling and teamwork skills. Again this project is predominantly funded by Delight Charity. WELL DONE Y3!
