## Continuing the learning journey...

I hope you all had a wonderful Easter break. We have started 'Forest Fun' sessions this week, to replace our Forest School sessions. The children were in their element, climbing, building and exploring all that the wooded area has to offer!

## This week's learning...

- In maths the children have been adding beyond 10.
- In Little Wandle the children have been writing simple, dictated sentences.
- The children are carefully making clay animals which they will soon bring home.

## Mini Marathon

On Monday, the whole school will be running a mini marathon in aid of Brain Tumour Research. Chestnuts will get changed in class for the event but they can wear trainers that day (unless these are in their PE bags already). They will run in house teams so siblings will be together. Please see the link for more information on why and how to donate:
