Friday 24<sup>th</sup> April 2026

## Nursery Activities and Play

What a very active week we have had! Here are some photos from our mini-marathons this week.

Some of our older children have enjoyed starting their swimming lessons too.

## Rhyme Focus

Next week our nursery rhyme will be 'Incy Wincy Spider'.

## Willow Class caterpillars

Our caterpillars are definitely very hungry ones! They have grown lots this week and we love to watch them crawling around.

## Information for Families

We have enjoyed spending lots of time outside in the sunny weather this week. While the weather is warm please make sure children have a named sun hat in nursery. Please also apply sun cream, if possible an all-day type, to your child in the morning. If you would like to provide sun cream for your child to reapply during the day, please make sure it is clearly named and staff will supervise your child putting it on.
