

Year 2 Learning Letter

Friday 24th April 2026

Walter Wellyb00ts

This week we have had a very strange and mysterious week. We received personalised poems for each child and adult in Year 2. When we were out in the forest area for a science lesson we found some strange miniature items and a note from a **Walter Wellyb00ts**. It said that he was looking for the best story tellers in the world. We think it is us that he is looking for. We decided to write miniature letters and made signs for him to find his way to year 2. We are hoping that he can find us and visit us soon.

Computing- Making Music

We have started a new unit, where we will be making music using digital technology. This is a great unit where the children get to explore and make music on the computer. We have learnt all about pitch and rhythm and explored how pitch and rhythm can change how we respond and feel about the music.

We are using Chrome Music Lab. It is a great programme which is very easy to use. If you would like to explore this at home, please scan the QR Code.

Mini Marathon

On Monday we all completed our Mini Marathon. What a great event this was. Everyone cheering and encouraging others. Everyone ran well.

Thanks to everyone who donated and shared the link with family and friends.

PE

On Tuesday we started our swimming sessions. This term, our other PE unit is on Invasion games. We have changed this session to Wednesday but this week I accidentally followed the old PE timetable. From next week our PE lesson will be on Wednesday. Sorry for any confusion.

Dates for your diary

Tuesday – Swimming

Wednesday – Invasion Games

Monday 4th May

Bank Holiday

Thursday 7th May

Fire Safety Visit

Friday 8th May

School closed at 1.30

Friday 22nd May
