8th May 2026

Nursery Activities and Play

This week may have been shorter than usual, but we have still managed to fit in lots of learning. This week our nursery rhyme was '1, 2, 3, 4, 5 Once I caught a fish alive' and one of the most exciting parts of the week was visiting Mr Fuller's garden to see the fish in his pond. They are very big and he even let us feed them.

We have also had lots of fun searching for minibeasts in the forest area. Some of them are very small so we took magnifying glasses to help us.

The caterpillars have made chrysalides! We are eagerly waiting for what will happen next.

Book Focus

Next week our book focus will be 'Let's go for a Walk'. We will use this to help us explore our local area.

Top Tip

You can watch Ranger Hamza go on a walk in his TV series to find out about nature and the environment.
