

Year 2 Learning Letter

Friday 8th May 2026

Story Suitcase

The amazing story suitcase arrived at school this week. It is designed to help children think about amazing stories and to help them to create wonderful characters. We have had such a fun week exploring the suitcase, dressing up and creating some very funny characters. Out of the suitcase popped a wealth of characters from old ladies, business men, kings, captains and scientists!

Fire Safety Officer

This week we have continued to explore how to keep safe. Julie, a fire safety officer from Surrey, came in to teach us all about fire safety. We learnt about what fire fighters do, what to do if you find a fire, how to make a 999 call and the dangers of matches and lighters.

The children had a great time yesterday and came home with a sticker and a script for a 999 call; some extra resources will be sent out via the office.

Julie was particularly taken with Amber!

Dates for your diary

Tuesday – Swimming
Wednesday – Invasion Games

Friday 22nd May 2.15-3.20 Open Classroom - Come and join up to see our term's work.
Last Day

Week Commencing 25 May - Half term week.

Rosie L

For her effort in solving arithmetic problems and checking her work to correct errors.

Theodore

For working independently and choosing to use base 10 to help solve problems.
