15th May 2026

Nursery Activities and Play

Another busy week of fun and play.

Aspiration Week

During the week beginning 8th June, the whole school is having an 'Aspirations week'. If any parents or family members have time during the week and would like to come and talk to the children about their job, we would love to have you visit. Please speak to Mrs Pirie if you are interested.

Willow Class' Caterpillars

The caterpillars are still wrapped up in their chrysalides - but we are watching closely and can now see patterns emerging on the casing.

Lunch survey

As you know, currently children in Willow Class bring in packed lunches from home. We are exploring whether in the future, it could be viable to offer the choice of school dinners. We are keen to hear from parents too and would be grateful if you could take a few minutes to complete this short survey.

Thank you

Information for Families

This week children brought home a letter about our visit from Little City which will be taking place during 'Aspirations week'. Please complete and return the form and make payment via Scopay. If your child does not usually attend nursery on a Thursday morning, they are welcome to join us for the session.
