

YEAR 3 WEEKLY LEARNING

Summer Term

Haslemere Museum

This week, the children had the exciting opportunity to visit Haslemere Educational Museum, where they expanded their knowledge of Ancient Egypt. Upon arrival, the children were warmly welcomed by the museum staff and began their day by reinforcing their learning about the Ancient Egyptian timeline, when the civilisation began and when it ended. They also discovered more fascinating facts about the mummification process. The children eagerly joined in with discussions and were captivated by the different artefacts and objects from that period. Throughout the day, they explored the museum's artefacts and deepened their understanding of Ancient Egyptian life. In the afternoon, the children took part in a variety of engaging activities, including mummifying their own toys. The trip was a great success, with all the children thoroughly enjoying the experience and further expanding their knowledge.

Issue Number Twenty-Nine

Friendly request

Please continue to read regularly with your child and talk about the stories together, as this helps to build their understanding and enjoyment of reading.

It would also be very helpful if you could continue supporting your child with their times tables and practicing number bonds to 10, 20 and 100. Regular short practice at home really helps children to become more confident and fluent with their Maths. Thank you again for your ongoing support.

Achievements

This week achievement certificate has been awarded to:

- **Molly H.** for her active participation in our Ancient Egypt topic and for sharing insightful information with the class.
- **Isabella** for showing great interest in our Ancient Egypt topic and for contributing to each lesson with enthusiasm and full engagement.

**Congratulations on your
exceptional dedication and
hard work!**
