

Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

22nd May 2026

Learning Journey

What a fantastic job the children did in our class assembly on Tuesday. We hope you enjoyed it. It was a lovely way to finish this term! We can't quite believe that after half term we will be going into our last summer term.

We have had another fun busy week. The children have enjoyed their PE topic this term on Striking and Fielding, working in groups and partners on their team work, throwing, catching and striking with a racket or bat.

In DT, the children loved exploring moving vehicles. After learning about the different parts and how they work, they carefully designed, built, and decorated their own vehicles.

Connor M

Maisie

We hope you all have a lovely half term. We will not be sending any homework home over half term but please do continue to read with your child. Their Little Wandle books will be coming home with them to practise.

Star Learner

Well done to **everyone** in Cedar Class for their wonderful performance in the Year 1 assembly. We are so proud! 😊

Reminders

Swimming will continue on Wednesdays and PE will continue on Thursdays next term.

Please can we remind you to label your child's uniform as we are finding a lot of cardigans or jumpers that don't have names in.
