

YEAR 6 LEARNING NEWS

Highlights of the Week

English

Having spent the last couple of weeks focusing mainly on Reading and SPAG, it was time to get back to some longer pieces of writing so we have completed two very different tasks in English this week. First, the pupils drafted a piece of non-fiction writing relating to Space which they then wrote up in neat in the form of an information poster or leaflet - they have taught me a lot!

Next, we looked at a picture of a wizard and, after a lesson discussing ideas, they did some creative writing based around it / him.

Maths

Your children are now (mostly!) masters of Algebra! They have written, created and solved algebraic equations and I honestly believe that the majority of them are now confident that they will not be frightened when faced with this type of question at Secondary School.

Jubilee Summer Concert

On Wednesday we had an afternoon outing to the Jubilee Theatre to watch their Summer Concert. I was not only extremely impressed with the musical performances, but also the behaviour of Oak class. They behaved brilliantly throughout the afternoon, including walking in silence in the grounds of the school to be considerate to those taking GCSEs in the Hall next to where we were walking.

NEXT TERM NOTICES

Starting the first Monday back, we will be having professional coaches in to teach Cricket. **PE will therefore be MONDAY AND TUESDAY** next half term instead of Tuesday and Friday.

Throughout the course of the next half term, we will be doing our **RSE** unit. If you have any questions regarding this, please get in touch.

Week 6 Summer Term

Homework

READING! Every child should be reading for 30 minutes every day.

PLEASE LEARN LINES Everyone who was in school Thursday / Friday has received a script and knows which part they will be playing in the production. We don't have long after the half term holiday so please can lines be learnt so that we can focus on staging and acting rather than script holding when we return to school.
