Continuing the learning journey...

Despite the poor weather this week, we still enjoyed our visit to 'Forest Fun' on Wednesday afternoon. We managed to avoid most of the showers, and the children had a wonderful time.

May I kindly ask that this area is not used after school? Unfortunately, it has become difficult to return items to their designated places (such as log chairs and mud kitchen utensils), and there has been an increase in litter and damaged equipment. Thank you.

This week's learning:

- In PE the children have been practising their throwing skills.
- In maths we have been creating patterns and using prepositional language.
- In 'Show and Tell' Riley showed us his wonderful holiday photos, please send in photos of your holidays, trips or journeys as they will help us to create a display in our classroom which links to our current topic.

Reading at Home

Reading at home helps build fluency and a love of reading. Children bring home a phonics book to practise and a sharing book to enjoy together. Please read with your child daily when possible (minimum three times a week).

Information for Families

Weather permitting, we will take part in PE outside from next week. Please ensure your child has appropriate PE footwear.

'Aspirations Week' is next week. The children will listen to speakers talk about their job roles and responsibilities, take part in a range of role-play activities in class and play a "Guess My Job" game.

Chestnuts Assembly - Tuesday 7th July at 9.15

Many thanks for your continued support,

Mrs Brill and Mrs Mount
