

# Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

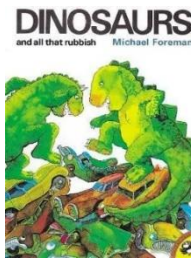

5<sup>th</sup> June 2026

## Learning Journey

Welcome back to our last half term in Year 1. We can't believe we only have 6 weeks left with this lovely class!

We hope you all had a lovely half term and we are grateful that the weather has been a bit cooler this week.

In English we have started a new text called 'Dinosaurs and All That Rubbish.' The children had a go at writing commands to the man in the story, telling him how to look after our world and how not to destroy it with all this pollution.

The theme of this book ties in with our new topic in RE: Why Should We Look After Our World? During our RE lesson, we listened to Louis Armstrong's *What a Wonderful World* and talked about the many beautiful things that surround us. Afterwards, we took a 'gratitude walk' around the school grounds, taking time to appreciate the beauty in our environment and reflect on the things we are thankful for.

## Star Learner

Well done to **Maisie** for her great work in Computing using the programming app ScratchJr. 😊

As part of our new Art unit this half term, we are kindly asking for donations of cereal boxes and/or newspapers to support the children in creating 3D structures. If you have any to spare, please start bringing them in over the coming weeks. Your support is greatly appreciated!  
Thank you 😊

## Information for Parents
