

# Year 2 Learning Letter

Friday 5<sup>th</sup> June 2026

Welcome back.

I hope you all had a lovely week off and enjoyed the sunshine! We now only have 30 days of school left before we break up for the summer holidays. We have so many great things to look forward to this term. As usual we will spend as much time outside as possible. Please make sure children have the appropriate items for all weather (coats, hats, sun cream)

## Science

This week we tracked and scanned plants to see what plants we have around our school.

## PE change

PE days are now on Monday and Tuesday. We are fortunate enough to get the opportunity to have external coaches in to teach Cricket. Year 2 will have their session on a Monday morning. Swimming will continue on a Tuesday morning. Please ensure PE kits are in school and that earrings are removed beforehand if children are unable to do so on their own.

## No toys in school

A polite reminder to everyone that we do not bring toys into school. This week they have caused numerous friendship problems and are a distraction to learning. There is no need to bring these items into school. I have told the class that if anyone is bringing and playing with toys at school, I will be keeping hold of them until the end of term. It is an unnecessary problem that is easily solved.

## Pizza

This term we will be making pizza and food tasting as part of our DT lessons. All dietary requirements will be catered for but if your child has a food allergy I will be coming to speak to you about it. We would be grateful for the following donations:

Olives  
Sweetcorn  
Yeast  
Pizza tomato sauce  
All purpose flour  
Pineapple  
Hot dogs (canned)
