

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey 01932 842785
05.06.26

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Welcome back! I hope you all enjoyed managed some rest during the half-term break, despite the heat-wave! I can't believe we have reached the final half-term of the year. We still have plenty of learning to squeeze in before then though!

This week, we have been revisiting prior learning of 'Time' in maths. This has proven extremely challenging for some children, in our digital world. I would appreciate you spending some time with your child over the weekend to help support their learning of telling the time on an analogue clock.

In science, this week, we learnt how the acronym MRS GREN can help children remember the seven life processes.

This week in English, children listened to the soundtrack of the audio book trailer of our new text 'The Ever-Changing Earth'. They then made predictions about the characters/themes/settings based on what they heard.

Children turned into detectives in Geography this week, as they matched climate descriptions with different photos. They then matched these climates with animals and plants, to better understand there are different biomes around the world.

We started our exciting Delight art programme this week - Rainforest Retreat. Children reflected on what 'the arts' are. We then spent a whole afternoon creating some fantastic foliage.

Enjoy your weekend, Miss Hale

Important Messages

There has been a change to the planned PE this term. We have been fortunate to secure a coach from Surrey Cricket to coach the children, so they will have cricket on Mondays, instead of OAA as per the curriculum letter.

Important dates

Aspiration Week - 8th June - 12th June
District Sports - 10th June
Wisley class trip - 16th June
Class photos - 19th June
Addlestone Young Voices - 24th June
