

Highlights of the Week

This week, the children enjoyed their first cricket lesson with Surrey County Cricket, and what a fantastic start it was! The session was full of energy, enthusiasm, and teamwork as the children were introduced to a range of cricket skills. Throughout the lesson, the children practised their catching, throwing, and running skills through a variety of fun activities and challenges. They worked brilliantly with their teammates, demonstrating excellent cooperation, communication, and sportsmanship. It was wonderful to see everyone getting involved, encouraging one another, and trying their very best. The children thoroughly enjoyed the session and are already looking forward to building on their skills during next weeks lesson.

Week 6 Summer Term

5th June 2026

01932 842785

This week in Geography, the children have been learning all about the serious threats facing our planet. They explored key issues such as deforestation, climate change, and pollution of the air, land, and water. The children worked brilliantly in groups to research and discuss these important topics, before creating eye-catching and informative posters to share their findings. They then presented their posters confidently to the rest of the class. It was fantastic to see such teamwork, creativity, and passion for protecting our environment!

Information for Parents

- Homework is set on Thursday and due in the following **Monday**.
- Children should be reading for 30 minutes everyday and practising their times tables.
- **P.E. is now on Monday and Tuesday**

Key Dates

8th - 12th June - Aspiration Week
 10th June - District Sports
 19th June - Class photographs
 22nd June - Addlestone Young Voices rehearsal

Healthy snacks - Can you please ensure your child is only bringing healthy snacks - ideally fresh fruit- to school. Anything from the confectionary/snack aisle at the supermarket should be avoided. The sugar spike it results in has a knock-on effect on their learning which can be detrimental. Thank you for your assistance in this matter.
