

YEAR 6 LEARNING NEWS

Highlights of the Week

Rehearsals

This week it's all been about The Wrong Way Round. We have spent a lot of time rehearsing and (on the whole) the class have not only handled this really well, but they have been really helpful with ideas!

Other subjects

We've done a couple of English and Maths lessons here and there including a Kahoot Grammar quiz (which gets them all wonderfully excited!) and our end of unit summary in Algebra, but I suspect the highlight was Monday. 10 girls went for an inspirational day at St George's school (more on that in the Headlines I imagine) and the rest of us had our first Cricket Coaching session of the term.

Maths pre-teach

For those that want to continue to recap mathematical methods, the option is still there from 8:30am each day.
