

Year 2 Learning Letter

Friday 12th June 2026

Aspirations

This week we have had many lessons and visitors into school to talk about aspirations. We have had such a fantastic week. We learnt about different jobs and hobbies that we may want to look at in the future. Below are a few of the visitors that we welcomed!

The main message this week, was that our children can do anything they want. Whether that is for a job or a hobby. Many of our passions come from the opportunities or inspiration we get when we are children.

Midwifery

Yesterday, we had a visit from 2 parent Midwives. They told us all about the job of looking after pregnant mothers and babies. Thank you!

Photography

Miss Hewings shared her passion for photography. She entered her first competition when she was in Year 2!

Studying abroad

Heather (Mrs Pirie's daughter) came in to talk to us all about her year studying in Canada.
