

YEAR 3 WEEKLY LEARNING

Summer Term

Aspiration Week

Our recent Aspiration Week was a fantastic success, giving the children a wonderful opportunity to meet and chat with visitors from a wide variety of careers. We were thrilled to welcome guests including a police officer, a ceramist, and a heating and plumbing engineer, who all shared fascinating insights into their daily work. The children were incredibly engaged throughout the week, showing great curiosity and asking our guests lots of thoughtful, mature questions. It was inspiring to see them connecting what they learn in school with the bright futures ahead of them!

Issue Number Thirty-Two

Friendly request

Please continue to read regularly with your child and talk about the stories together, as this helps to build their understanding and enjoyment of reading.

It would also be very helpful if you could continue supporting your child with reading and interpreting the time on an analogue clock. Regular short practice at home really helps children to become more confident and fluent with this important skill. Thank you again for your ongoing support.

Achievements

This week achievement certificate has been awarded to:

- **Emmie** for her wonderful dedication to reading *Isadora Moon* books! Your fantastic quiz scores show what an amazing job you're doing with your reading comprehension. Keep up the great work!
- **Jackson** for his growing engagement, excellent effort, and continued progress in his reading journey.
- **Congratulations on your exceptional dedication and hard work!**
