Nursery Activities and Play

We have been learning all about making patterns in maths this week. We have been looking for repeating patterns and making our own repeating patterns using all sorts of different things!

We were very pleased to have a visit from [Perform](#) on Thursday. We had a wonderful time exploring the theme of Peter Pan and using drama, dance and singing to help develop our confidence, concentration and social skills.

Perform run local classes and they are offering a **special introductory discount** to children at Ongar Place School if they come along for a free trial session before Friday 7th August.

To claim your discount, just call Perform on 020 7255 9120 quoting **OPIF070826** or book a Free Trial Session online at perform.org.uk/try.

Book Focus

Next week we will be learning the rhyme 'Ring-a-Roses.'
