Continuing the learning journey...

We have been practising our assembly songs this week (as well as keeping cool!). We will provide all of the costumes and the children will practise their lines (which are very few and very familiar) in the class.

This week's learning:

- We had lots of continuous and enhanced provision, inside the classroom. Maths, literacy, construction and creative.
- To keep cool, we remained inside the classroom from 11am. During break and lunchtime, the children used the shaded paddock and forest area. In the afternoons, I cooled everyone down by hosing off both the children and the teachers!

Reading at Home

Reading at home helps build fluency and a love of reading. Children bring home a phonics book to practise and a sharing book to enjoy together. Please read with your child daily when possible (minimum three times a week).
