

Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

26th June 2026

Learning Journey

In Art, we continue exploring 3D structures. This week, we looked at artwork inspired by the Tree of Life mythology. The children then used the paper-shaping techniques they learnt in previous lessons to create their own imaginative 3D sculptures.

We were also very lucky on Thursday to have a 'Brickies' workshop. The children enjoyed working in partners to create an eco-friendly house. Some had solar panels on the roof, a pond or vegetable patch and even bins to recycle.

It has been a really hot week in school. We have done our best to stay cool. The children have all been amazing and we had a great time in the afternoons going outside quickly and getting sprayed with the hose by Mrs Brill.

Star Learner

Well done to **Ayra** for always being ready to learn on the carpet and listening carefully.

Reminders

As the sunny weather continues, please ensure your child comes to school with a **named hat** and a **full water bottle** each day. We also ask that **sun cream is applied before school**. If you would like your child to reapply sun cream during the day, they are welcome to bring a named bottle of sun cream to keep in their bag.

During playtimes, we make every effort to keep the children in shaded areas and out of direct sunlight where possible. We will continue to take steps to ensure that all children remain comfortable, hydrated and safe during the warm weather.

Information for Parents

Friday 3rd July- Colour Mufti

Friday 17th July- Last day of term at 1:30pm

Show and Tell for next week is the **Yellow** group (Blake, Connor H, Giselle, Harrison, Luke and Maisie).
